THE HONOURABLE ERIC A. WINKLER
REGISTRAR GENERAL

Goreword

I take pleasure in presenting the 103rd Vital Statistics Report compiled by the Office of the Registrar General. This report is prepared in two parts.

Part I consists of an analytical survey of the vital statistics of the Province in the form of summary tables. Its objectives are to indicate the trend over the past several years, to bring to light several major causes of death and to summarize vital statistical data for 1972.

Part II comprises detailed tables covering the various aspects of vital statistics for the Province of Ontario in 1972.

In conclusion, may I state that, while this report is primarily of interest to certain professions and agencies, it will give other interested persons an insight into the vital statistics concerning births, deaths and marriages in the Province of Ontario.

Registrar General

SIR:

I have the honour to submit for your approval the One-hundredand-third Vital Statistics Report made in conformity with and under the provisions of the Act respecting the Registration of Births, Marriages and Deaths in the Province of Ontario, for the year ending December 31st, 1972.

I have the honour to be, Sir,

Your obedient servant,

Deputy Registrar-General.

H. F. Humphries

To The Honourable Eric A. Winkler Registrar General of Ontario

THE HONOURABLE JOHN T. CLEMENT
REGISTRAR GENERAL

Goreword

I take pleasure in presenting the 104th Vital Statistics Report compiled by the Office of the Registrar General. This report is prepared in two parts.

Part I consists of an analytical survey of the vital statistics of the Province in the form of summary tables. Its objectives are to indicate the trend over the past several years, to bring to light several major causes of death and to summarize vital statistical data for 1973.

Part II comprises detailed tables covering various aspects of vital statistics for the Province of Ontario in 1973.

In conclusion, may I state that, while this report is primarily of interest to certain professions and agencies, it will give other interested persons an insight into the vital statistics concerning births, deaths and marriages in the Province of Ontario.

Registrar General

SIR:

I have the honour to submit for your approval the One-hundredand-fourth Vital Statistics Report made in conformity with and under the provisions of the Act respecting the Registration of Births, Marriages and Deaths in the Province of Ontario, for the year ending December 31st, 1973.

I have the honour to be, Sir,

Your obedient servant.

Deputy Registrar-General

H. F. Humphres

To The Honourable John T. Clement, Q.C. Registrar General of Ontario
